

Topic: Inclusiveness

1 Think about

These four building tasks will help you express your thoughts and ideas about the importance of being inclusive.

Build: Build a model that represents what it means to be included.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

2 Remember

Now that you've thought about what it means to be inclusive, it is useful to recall a specific example from your own life when you have experienced this.

Build: Build a model that represents a time when you felt included.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

3 Imagine

Now you will use your imagination and creativity to think about how your actions can help others feel included.

Build: Build a model that represents how you could make everyone feel included in an activity.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

4 Conclude

Now you will build a model that sums up what you have learned so far.

Build: Build a model with two parts that represent what it means to be inclusive and what it means to be exclusive.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.
