

Topic: Writing a Poem

1 Think about

These four building tasks will help you express your thoughts and ideas about poetry.

Build: Build a model that represents a poem that you like.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

2 Remember

Now that you've thought about a specific example, it is useful to recall what made you think it was interesting or entertaining.

Build: Build a model that represents what you like about this poem.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.
