

Topic: Goal Setting

1 Think about

These four building tasks will help you express your thoughts and ideas about goals and how they can be achieved.

Build: Build a model that represents a goal you have.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

Character Education, Goal Setting,
4th-5th grades

2 Remember

Now that you've thought about a specific goal you have, it is useful to recall a time when you have achieved an important goal in the past.

Build: Build a model that represents how you achieved a goal like this in the past.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

3 Imagine

Now you will use your imagination and creativity to think about how achieving this goal would affect you in daily life.

Build: Build a model that represents how achieving this goal would affect your life.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.

4 Conclude

Now you will build a model that sums up what you have learned so far.

Build: Build a model that represents your plan for achieving a goal like this.

Building Time: 3-4 minutes

Share: When the building time is up, take turns telling each other about what you have built.

Keep your model on your own building plate.
