

Make a Dancing Robot

Maker Connect

Dancing is so much fun! Dancing can be moving freestyle to the rhythms of music or it can be more formal like ballroom dancing, tap dancing, square dancing, break dancing, ballet, and modern dance.

Dancing can express your personality and how you are feeling. Some types of dances are like codes and follow a set sequence of steps.

Look at the photos, then think about these questions.

- What questions do you have?
- What ideas do you have?
- What can you make?
- Can you make your own dancing robot?
